About me

- Ability to operate across multiple creative disciplines to ensure projects are delivered in a collaborative and integrated way across teams and work streams.
- Fully adept creative lead able to operate across digital and physical channels developing a coherent and integrated multidisciplinary design approach for campaigns and projects.
- Broad experience across the industry having worked in-house, agency and freelance.
- A diverse background with extensive experience of Design, Branding, Advertising, Digital UI/UX Design, Motion Graphics and Video.
- Very hands on approach but also highly experienced in management of creatives in all forms of visual disciplines.
- Direction of digital and user interface design including websites and apps as well as direction of video and motion graphics, 3D art, photography and other specialist creative disciplines.
- Articulate and confident creative leadership skills with a friendly, positive and personable attitude.
- Great communication and presentation skills with clients and internal stakeholders, comfortable talking to clients and groups of any shape and size.
- Extensive experience in hiring permanent & freelance staff, sourcing and managing relationships with creative agencies and services.
- Reliable co-ordination skills adept with complex schedules and workloads, ensuring projects are carefully resourced and delivered within budget.

Thank you for your time, Olly :)
